The Kingdom of God and Kingdom(s) of Men

I. Kingdoms of Men/Chronology (rod of men, Assyrian-the rod of my anger, HaShem's chastening/discipline):
The Principality/Family connection ..

HaGalut Ami Chronology / narrow-view 4:3 [Dan. 2;7]
The Mystery of Iniquity and hachayah foreshadowed

Expounded:

*Begins with all Ami (my people in Exile, neo-babylon (mystery Babylon .. the precursor of all the kingdoms of this world WITHOUT HaShem)
... ends with HaSatan's master-plan to EXTERMINATE God's people (Not!) and right in the center the man-of-sin is foreshadowed in the
Grecian/Selucid Antiochus Epiphanes? or a.k.a 'the mad-man'.*

The '- ' indicates these are related/relatives'. Let's look at the relationships. We need to break out of the linear, sequential/compartmental logic in order to grasp the deeper inter-relationship(s) and dynamics of God's revelation.

Begins with the judgment of ALL of God's people in EXILE.. (Israel and now Judah)
-- Each of the colored pairs are viewed as ONE i.e. of the same family and governed by the same spiritual influence or principality.

Note: That BOTH the revelation of the mystery of iniquity (hachayah foreshadowed) and the mystery of Godliness (incarnation of Messiah Yeshua) occur in the EXACT CENTER of this chronology.

Exile .. Epimanes (mad-man) .. Extermination (will again be attempted, the mystery of iniquity)

1> Gold/The Lion/ Babylon (Exile)

2> Silver/The Bear/ (Medo-Persia, Babylon judged, the handwriting on the wall)

3> Bronze/The Leopard (hachayah foreshadowed, the mystery of iniquity is at work)

-- Thighs of Bronze (Kittim are children of Yavan/Greece, related, east/west) – Mystery of Godliness / Mashiah incarnation

4> Iron Chayah (Extermination of God's people, **Not!**) } .. continues for a space, then malak-ra' the prince of malchut-chayah is incarcerated
-- Iron and Clay (Extermination of God's people, **Not!**)

--- Iron and Clay (10-member Revived Caliphate, Extermination of God's people, **Not!**)

5> Stone/Yemot HaMashiah (The 1,000 year reign of Messiah, rod-of-iron, shepherds His sheep, subdues/judges rebellion)

-- Mountain/Malchut-Elohim-Avinu l'olam vaed (The Eternal Kingdom of God our Father, I Cor. 15, death/sin are no more, Olam HaBa)

The Kingdom of God and Kingdom(s) of Men

II. Redemptive/Chronology (rod of Messiah, Mashiach breaks the 'rod of men', takes up the throne of David haMelech):

The 'Arm of the L-RD' / The Revelation of the Parts

(We will know enumerate the parts AND see that in this chronology ALSO Messiah Yeshua is the CENTER)

HaGeulah Ami Chronology / wide-view 16:9 [Rev. 17]

The Mystery of Godliness and Mashiach revealed, covenant ratified, and the vision certain

Expounded:

Begins with HaShem's covenant-faithfulness and Pesach (Then at center) we have the incarnation of Yeshua HaMashiach, and at the end we have eternal redemption -- at last entering into the Eternal kingdom of God the Father and the eternal state of Olam HaBa. (I Cor. 15)

Redemption foreshadowed .. Redeemer revealed (covenant ratified) .. Restitution of all things completed as declared by Holy prophets since the world began

1> Egypt (Mashiach foreshadowed in Pesach/deliverance from Mitzrayim)

2> Assyria (HaGalut Part 1/2)

3> Babylon (HaGalut Part 2/2)

4> Medo-Persia (Babylon judged)

5> Grecia (hachayah foreshadowed)

6> -- Greco-Rome (Kittim-sons of Yavan) / Messiah Yeshua is revealed, the covenant is ratified

7> Legs/Iron (Imperial Islamic Caliphate)

8> Feet/Iron and Clay (Divided/Rival Caliphates, wounded March 3, 1924)

9> Toes/Iron and Clay (10 member cabinet, Revived Caliphate)

10> Stone (HaGeulah Part 1/2)

11> Mountain (HaGeulah Part 2/2)
